Gambeat is a multi-instrumentalist artist and the **bassist of Radio Bemba**, who has been accompanying **Manu Chao** since 1993. He is known for his passion for Latin music and his skill in blending different musical styles such as salsa, dub, reggae, and cumbia.

After making crowds dance as a DJ with **Gambeat [Radio Bemba Sound System]**, he enthusiastically embarked on a new project in 2023: **Gambeat y la Grooving Familia**. Pushing the boundaries of his musical universe even further, **Gambeat** remixes traditional cumbia music, accompanied by **two percussionists**.

Gambeat y La Grooving Familia is an **unforgettable auditory and visual journey** through the world and the many facets of electronic music. This show galvanizes the audience with a combination of rhythms and melodies, where music comes to life.

This electro-latino show with vibrant colors, **mixing Gambeat's deep bass** and the **powerful rhythms of percussion**, makes the live performance of the **Grooving Familia** unique in its kind.
